Manuscript Submission Checklist

Use this checklist to assist you when submitting your manuscript to CCH. Please ensure your submission includes all contracted materials and is your most current version.

Preliminary Pages

Title page (give your name and any affiliation or other wording exactly as you want it shown); preface; acknowledgments; table of contents; introduction; author biography (for the back cover and promotional purposes).

End Pages

Appendices, glossary, references, list of index terms, etc.

Permissions

Include all permissions for any material you have reproduced that is copyrighted to any other individual or organization. Supply a complete list and the signed permission forms you have acquired from all the copyright sources.

Delivery of Manuscript

Please supply:

- Electronic version (on disk or by email attachments)
- Hard copy printout (check that the print and the electronic copy are exactly the same)
- Signed copy of all Schedules attached to your contract (if you have not already submitted them)
