Here are 7 key benefits you'll enjoy

with the new *Ultimate HR Manual-Western Edition*.

- 1 YOUR BIGGEST CONCERN WON'T BE A CONCERN ANYMORE**

Millions of dollars are paid out over compliance issues each year, which is why compliance is a key concern of every HR Manager. Well, this is one concern you won't have anymore because each month you'll receive a monthly newsletter letting you know about relevant changes in both federal and Alberta legislation.
- 2 YOU'LL HAVE ALL THE FORMS, CHECKLISTS AND TEMPLATES YOU'LL EVER NEED**

Having easy access to these work aids will save you immeasurable time. Especially when you can customize and print them for your specific purpose.
- 3 YOU WON'T HAVE TO TURN AS OFTEN TO OUTSIDE SOURCES FOR ANSWERS**

Lawyers can be expensive. Government websites are cumbersome. And calling government offices for help can be frustrating. With the *Ultimate HR Manual-Western Edition*, you'll have all the answers you need at your fingertips.
- 4 YOU'LL BE A MORE EFFECTIVE MANAGER**

You'll have hundreds of "best practice" tips on productivity, motivation and other key bottom line areas. And you'll be able to speak and act with even more authority in difficult and controversial situations because you'll have proven expert opinion and advice to back you up.
- 5 YOU'LL BE ABLE TO STAY CURRENT WITHOUT HOURS OF TOUGH READING**

Staying up-to-date means slogging through baffling legalese or complicated legislation. But you don't need to know the details of change. All you need to know is how your organization will be affected. And that's what you'll find out in the easy-to-read concise commentaries in the *Ultimate HR Manual-Western Edition*.
- 6 YOU'LL BE ABLE TO TRUST AND RELY ON THE CONTENT**

We've called on some of the most respected HR and legal experts in Canada in putting this manual together. They are the industry leaders; the recognized authorities. Our own professional writers and editors will polish their contributions to make it easy to read.

The *Ultimate HR Manual-Western Edition* will also be the ultimate in user-friendliness. It will be organized so you can find what you need quickly and easily. And for the utmost in speed, the online version will give you a "smart" search engine and the convenience of keyword search.
